IN REPLY
REFER TO DDC-TSR-1

8 February 1967

Honorable Richard Helms
Director, Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Helms:

Enclosed is DD Form 1540 submitted by Programming Services, Inc.

The Defense Documentation Center (DDC) is authorized to provide service to your contractors and grantees under controlled conditions. The implementing tools are the DD Form 1540 (Registration for Scientific and Technical Information Services) and DD Form 1541 (Facility Clearance Register). Each non-DoD Executive Branch Agency is requested to designate a single office within that agency to certify the need-to-know of all registration applications and facility security clearance.

This information is being sent to you because yours would seem to be the appropriate office to take action on delegating this responsibility within your agency.

If it would be of assistance to you, a representative from DDC will come to your office or the office of your delegated representative to explain in detail the services available from DDC.

Sincerely,

2 Enc1
